

ATIP Request A-2018-09206

Request: Please provide national figures for the total number of RCMP vehicles rammed or damaged in pursuit of fleeing suspects, for years 2013 to present (*see Table 1*), including total cost of damage (*see Table 2*), broken down by province. Please include injuries to officers (*see Table 3 & 4*) and cost of lost person-hours resulting from those injuries (*not available*). Is there an increase in the number of RCMP vehicles rammed from 2017 to 2018 (*no*)?
